- 4. Government Order No. CI 274 SPI 2016, dtd. 20.10.2016.
- 5. Proceedings of the 59th State High Level Clearance Committee (SHLCC) meeting held on 05.08.2022.

-:0:-

Preamble:

The project proposal of M/s Aaress Iron and Steel Limited to establish "1 Million TPA Integrated Steel Plant" with an investment of Rs.2292.26 crore, in 1034 acres of land (370.12 Hectares) to be acquired and allotted by KIADB as SUC at Basapura, Kididalu, Koppala and

Halavarthi Villages of Koppal Taluk & District was approved in 4th SHLCC meeting held on 06.06.2005. Accordingly, Government Order read at (1) above was issued.

Government Order No. CI 511 SPI 2005, dated 22.03.2006 issued has permitted the bifurcation of the project into two -

- 1) Implementation of the Iron Ore Palletisation Plant by M/s MSPL Limited
- 2) Implementation of Integrated Steel Plant by M/s Aaress Iron & Steel Limited, which belongs to the same promoters.

The proposal of the company to increase the capacity of the steel plant from 1.0 MTPA to 2.5 MTPA with an investment of Rs.4612.60 crore, with additional land of 995.50 acres to be purchased U/s 109 Of KLR Act at Basapura, Kididalu, Koppala and Halavarthi Villages of Koppal Taluk & District was approved in the 8th SHLCC meeting held on 23.02.2007.

Subsequently, SHLCC in its 13th meeting held on 13.03.2008 approved the mode of acquisition of 995.50 acres of land through KIADB instead of purchasing the land U/S 109 of KLR act and extension of time for 2 years for implementation of the project. Accordingly, Government Order vide No CI 96 SPI 2008, dated 09.05.2008 read at (2) above was issued.

29th SHLCC meeting held on 06.09.2012 accorded approval for the following:

- Extension of time up to 2 years.
- KIADB to earmark 104 acres of land to KSSIDC for formation of industrial Estate, out of the land approved to M/s Aaress Iron & Steel Limited. In 8th SHLCC meeting held on 23.02.2007.

Accordingly, Government Order read at (3) above was issued vide No. CI 96 SPI 2008, dated 02.11.2012.

In the 45th State High-Level Clearance Committee (SHLCC) meeting held on 28.09.2016 accorded approval for the following.

- Extension of time by 3 years to implement the project.
- Enhancement of capacity of the proposed Steel Plant from 2.5 To 3.5 MTPA
- Purchase of land for the project either U/s 109 of KLR Act or through KIADB acquisition.
- To include additional Sy. Nos. 337 (Part) of Koppala, part of land in Sy. Nos 54, 55, 88, 89, 90 & 128 Of Basapur, Part Of Land In Sy. Nos 130 (New Numbers 142 To 147 and 151) of Halavarthi; part of land in Sy. Nos 264, 269 To 273, 275 to 280 of Ginigera Village, limiting the total extent of land recommended for the project to 933.01 acres and subject to exclusion of 104 acres 11 guntas of land allotted to KSSIDC for the formation of industrial estate.

Accordingly, Government Order read at (4) above was issued vide No. CI 274 SPI 2016, dated 20.10.2016.

Further the Company vide its letter dated 10.03.2022 informed that project implementation has delayed due to following reasons:

1. Agitation from landowners in taking the full possession of the land and taking up the development activities.
2. The company and the state have filed an appeal with the Hon'ble Supreme Court against the judgment of the division bench of Hon'ble High Court of Karnataka Circuit Bench, Dharwad which is pending before the Supreme Court.
3. A case filed (WP.No 27387) between the M/s Aaress Iron And Steel Limited and State Of Karnataka (KIADB & KSSIDC) for earmarking 104 acres of land allotted to M/s Aaress Iron And Steel Limited Earlier.

Effective steps taken by the company to implement the project:

- KIADB has acquired 922.19 acres of land through KIADB in the vicinity of Halvarthi, Basapura & Koppal Villages. KIADB has handed over the possession of the land to the company by entering into Lease-Cum-Sale Agreement dated 10.03.2008 for 754.12 acres and on 15.01.2010 For 168.07 acres respectively.
- Company has proposed to draw 12.55 MD (10 MD for AISL & 2.55 MD for MSPL) water from Thungabhadra (TB) reservoir. The same has been approved and a grant order was issued vide order No. WRD 24 MTB 2014 dated 09.11.2015 and Water drawing agreement executed on 15.07.2020.
- Company has engaged the services of expertise for designing a Jack-Well for drawing water from TB Reservoir. The Right of Way (ROW) for laying cross country water pipeline from TB dam through Kasankandi forest area is in progress. A forest clearance application over an extent of 1.84 hectares has been filed before the principal chief conservator of forest (FC) / Nodal Officer, Aranya Bhavan to forward to the Government of India for grant of forest Clarence. The proposal has been forwarded to moef,sz for stage-i approval. The application is in process.
- GESCOM had accorded the power sanction approval vide letter No. GESCOM/CEE(CP)/EE/AEE(Coml)2009-10/38554-64 dated 29.03.2010 for 70 MVA power supply at 220 KV level for the proposed project. The company had constructed 220 KV sub-station and the power is available.
- In order to bring the raw material to the proposed steel plant and to transport the finished products, the company requires railway sidings which need to be drawn from Ginigera station. The company had approached the railways to provide the spur line for which railways have agreed. The company is finalizing the layout & DPR.
- Company has approached KSPCB/ MOEF for Environmental Clearance (EC) for the project. KSPCB had conducted public hearing on 28.05.2018, EC has been issued vide letter No. J-11011/161/2015-IA-II(I) dated 27.07.2021.

- KIADB had approved the project layout as per the design finalized by the company. The same has been confirmed by the local Grama Panchayath. The company is paying taxes every year to the Grama Panchayath.
- NHAI is upgrading the existing NH for ease of movement of men & materials, NHAI is providing a service road on either side of the entry to M/s AISL Project Land.

In view of the above, the company has requested extension of time for further 5 years to implement the project.

Recommendation of 96th Land Audit Committee meeting held on 26.07.2022:

The representative of the company appeared before the Committee through V.C and requested for extension of time by 5 years to implement the project.

The Committee noted the request of the company and after detailed discussions decided to recommend to SHLCC for approval of the following:

1. Grant of extension of time by 3 years to implement the project, with a condition that further extension of time will not be considered
2. Enhancement of project cost to Rs.18,000 crore.

The proposal of the Company and recommendations of the LAC was discussed in detail and approved in the 59th SHLCC meeting held on 05.08.2022.

Government has examined the recommendations made by the 59th SHLCC Meeting, in all aspects.

Hence the following order.

Accordingly, Government Order cited at read (5) was issued.

The company has taken following effective steps for the steel plant project:

1. Detailed Techno Economic Feasibility report for 6 MTPA Steel plant along with captive Power plant has been prepared through Macon Consultants (A Govt. of India undertaking)
2. Land to the extent of 4877 acres acquired through KIADB
3. Allotment and possession of the above land taken from KIADB in two stages i.e 3966 acres on 31st May 2013 and 911 acres on 15th June 2015.
4. After continuous follow ups KIADB has executed Lease cum sale agreement for 4877 acres of land which was registered with Sub - Registered Ballari on 2nd March 2017.
5. Detailed demarcation survey work carried out through KIADB/ Private survey agency and is being finally certified though TILR office, Ballari.
6. Mecon Consultants was appointed for conducting the Environmental Clearance for the project.
7. An application was filed with the MOEF & CC for grant of Environmental Clearance for 6 MTPS steel plant project. The MOEF has issued Terms of reference (TOR) during July 2014. Based on the TOR, the environment impact assessment and other studies have been conducted and submitted to the MOEF & CC and Karnataka State Pollution Control Board. A committee headed by the Additional DC, Ballari had conducted the public hearing on 04.08.2016 and reported to this effect was forwarded to the MOEF & CC, Govt. of India by the State Pollution Control Board. There were series of meeting held before EAC/MOEF. Constantly pursing with MOEF & CC for appraisal and grant of EC, which are expecting in 6 months' period.
8. Preliminary field survey carried out of water pipeline route through Irrigation Department from the water pumping location at Nadvi / Rudrapadam on Thungabadra River d/s of T B Dam, 40 Kms from project location.
9. Applied for building plan approval to KIADB on 25.06.2019
10. Company has invested Rs.500.00 cr. for implementation of the project.
11. Applied to KIADB for transfer of Government land of 93.26 acres to the company.
12. Obtained NOC from PWD on 24.07.2020 for construction of compound wall.
13. Applied to railways for NOC on 13.02.2020 for Railway Storage.

In view of the above, company has requested SHLCC for extension of time for the period of 6 years for implementation of the project.

Recommendation of 91stLand Audit Committee Meeting held on: 10.12.2021

The representative of the company appeared before the Committee through V.C and requested for grant of extension of time by 6 years to implement the project and change of water source (Tungabhadra River instead of Krishna River).

The Committee noted the request of the company and after detailed discussions decided to place the present status and steps taken by the company before SHLCC for the following.

- Whether to consider grant of extension of time by 6 years to implement the project
- Change of water source (Tungabhadra river instead of Krishna river), as approved by WRD vide Government Order No.WRD 20 MTP 2021, dated 31.7.2021 to lift and store water during rainy season itself in the premises of the said industry to meet the demand of water in non-rainy seasons.

Subject was placed before 58th SHLCC held on 18.04.2022 for discussion and decision of 58th State High Level Clearance Committee is as under:

The Committee noted the details of the proposal and observed the contents as follows:

- The proposal was approved in March 2010.
- Land acquisition and handing over of possession process completed in June 2015.
- 4877 acres of land registered in the name of Company in March 2017.
- It was noted that after the year 2017, the company has not taken any effective steps to start the project.

After a detailed discussion, the committee has directed to issue a 15 days' notice to the company and ask for explanation that "why the allotted land under SUC of KIADB should not be resumed, as the company has not taken any effective steps to start the activity even after laps of 5 years of land registration".

Action Initiated on SHLCC decision

KIADB vide letter dated 25.07.2022, informed that according to SHLCC decision, KIAD Board has issued notice to the Company U/s 34-B (1) of KIADB Act 1966 on 23.06.2022 to submit their specific reasons for violations of terms & conditions of lease cum sale agreement executed with the Board.

The Company has submitted their justifications/ replies vide their letter dated 05.07.2022 & requested to drop the notice dated 23.06.2022 issued by the board and for allotment of balance Government lands in their favor, also to conclude other legal cases/ litigation pending on various Courts.

The reasons submitted by the Company for delay in implementing the project are as follows:

1. Due to delay in Government land transfer.
2. Delay in obtaining environmental clearance.
3. Due to land litigations, (pending Court cases filed by erstwhile land owners).
4. Due to water supply issues.
5. Due to unprecedeted COVID-19 pandemic.

In view of the above, KIADB has requested to submit the above facts before the committee for discussion.

Subject was placed before SHLCC for discussion:

The amendment proposal of M/s Uttam Galva Ferrous Limited to establish “6 MTPA Integrated Steel Plant and Captive Power Generation” at Ballari District with an investment of Rs. 36,000.00 crore, generating employment to about 25,000 persons in 4000 acres of land at Special Industrial Zone, Vijayanagara Area Development Authority (VADA), Hospet and Sandur Taluk, Ballari District is placed for discussion on

- Whether to consider grant of extension of time by 6 years to implement the project
- Change of water source (Tungabhadra River instead of Krishna River), as approved by WRD vide Government Order No. WRD 20 MTP 2021, dated 31.07.2021 to lift and store water during rainy season itself in the premises of the said industry to meet the demand of water in non-rainy seasons.

The proposal of the Company was examined in the 59th SHLCC meeting held on 05.08.2022. After detailed discussion resolved to approve extension of time by 6 months to take clear effective steps for the implementation of the project by M/s Uttam Galva Ferous Limited.
